Authorization for Disclosure of Personal Health Information by Providers and Insurers

I authorize (give my permission for) my doctor(s), other health care providers, their staffs, and my past or present health plans and insurers, if any, to disclose my personal information, including information about my insurance, prescriptions, medical condition, treatment and health ("Personal Health Information") to Vanda Pharmaceuticals, Inc. and/or its representatives, agents and contractors (collectively, "Vanda") so that Vanda can decide if I am eligible for the Ponvory® (ponesimod) Patient Assistance Program ("PAP"); operate the PAP; send me information about the PAP and other programs that might help me pay for my medicines; send my information to other programs that might help me pay for my medicines; and contact me to seek further financial, insurance and/or medical information, discuss my participation in the PAP, confirm my receipt of medication, or otherwise administer the PAP. I understand that once my information has been disclosed, privacy laws may no longer restrict its use or disclosures, but Vanda will use and disclose my information only as described in this authorization or as required by law. I understand that if I do not sign this authorization, I will not be able to participate in the PAP, but my refusal to sign will not otherwise affect my ability to get medical care or seek payment for medical care or affect my enrollment in or eligibility for insurance. I understand that I can cancel this authorization at any time by calling the PAP at 1 (833) 933-9331, but that a cancellation will not apply to any information already used or disclosed in reliance on this authorization before I have called to cancel. I understand that I have the right to receive a copy of this authorization from my physician. This authorization expires in ten (10) years from the date signed below or earlier, if required by state law.

Other Authorizations and Representations

I authorize (give my permission for) Vanda Pharmaceuticals, Inc. and/or its representatives, agents and contractors (collectively, "Vanda") to use and disclose the information that I have provided on this Application form, any information that I may later provide to Vanda, and any information Vanda receives from my doctor(s), other health care providers, their staffs, and my past or present health plans and insurers, if any, to decide if I am eligible for the Ponvory® (ponesimod) Patient Assistance Program ("PAP"); operate the PAP; send me information about the PAP and other programs that might help me pay for my medicines; send my information to other programs that might help me pay for my medicines; and contact me to seek further financial, insurance and/or medical information, discuss my participation in the PAP, confirm my receipt of medication, or otherwise administer the PAP. I understand that, in carrying out these purposes, Vanda may disclose my information to government agencies, including the Centers for Medicare and Medicaid Services; insurance companies, including Medicare Part D plans; my doctor(s) and other people, or institutions who are involved in my healthcare, such as pharmacies and hospitals; and other organizations that might help me pay for my medication.

I represent that any information, including financial and insurance information, that I provide to Vanda is complete and true and, unless I have said something different in this Application, I have no insurance coverage for this prescription, including under Medicaid, Medicare or any public or private assistance programs or any other form of insurance. If my income or health coverage changes, I will call the PAP promptly at 1 (833) 933-9331.

If I am approved to participate in the PAP, I agree that I will not seek reimbursement from anyone else, including from an insurer, government health program, or a charity, for the free medicine I receive from the PAP. I will not seek to have this medicine, or any cost from it, counted in my Medicare Part D out-of-pocket expenses for prescription drugs. I will not seek reimbursement or credit for the medicine from my prescription insurance provider or payor, including Medicare Part D plans, for any costs of medication.

I understand that Vanda may change or end the PAP at any time, with or without notice. I understand that if I do not sign this form, I will not be able to participate in the PAP but this will not affect my ability to get medical care or seek payment for medical care or affect my enrollment or eligibility for insurance. I understand that I can cancel this authorization at any time by calling the PAP at 1 (833) 933-9331, but that a cancellation will not apply to any information already used or disclosed in reliance on this authorization before I called to cancel.
